

## How to search for books on other towns' libraries

NH has a Web-based system that you can use to find books owned by other libraries.

You can also use the system to ask our librarian (via automatic email) to request a copy of a book or books you want.

The first step is to get on the Web and get to: <http://www.nhu-pac.library.state.nh.us>

The following pages show you how to do it.

This is the first panel you will see at <http://www.nhu-pac.library.state.nh.us>
