Article 12 "Call to Prevent Nuclear War" Resolution (Submitted by petition)

To see if the Town will vote to adopt the following resolutions:

Whereas nine nations together have over 14,000 nuclear weapons in their arsenals, most far more destructive than the two that killed hundreds of thousands in Japan in 1945;

Whereas detonation of even a small number of these weapons could have catastrophic human and environmental consequences affecting everyone on the planet;

Whereas the United States maintains hundreds of nuclear missiles in underground silos on hair-trigger alert, to be launched within minutes with great risk of an accidental, mistaken or unauthorized launch;

Whereas the United States reserves the right to use nuclear weapons first, making a nuclear war more likely;

Whereas the U.S. president has the sole and unchecked authority to order the use of nuclear weapons;

Whereas over the next 30 years, the United States plans to spend an estimated \$1.7 trillion to replace its entire nuclear arsenal;

Whereas the United States, as well as Britain, China, France and Russia, are obligated under the Nuclear Non-Proliferation Treaty (NPT) to take concrete steps toward eliminating their nuclear arsenals;

We call upon the U.S. government to embrace the Treaty on the Prohibition of Nuclear Weapons and make global nuclear disarmament the centerpiece of our national security policy.

We call on the United States government to lead a global effort to prevent nuclear war by:

- renouncing the option of using nuclear weapons first
- ending the president's sole, unchecked authority to launch a nuclear attack
- taking US nuclear weapons off hair-trigger alert
- cancelling the plan to replace its entire arsenal with enhanced weapons;
- actively pursuing a verifiable agreement among nuclear armed states to eliminate their nuclear arsenals

Alstead's Board of Selectmen will send copies of this resolution with a record of its adoption to all members of our New Hampshire Congressional Delegation and to the President. (Submitted by petition.)
