#### **Activities about the Pratt Rock view project**

On Tuesday, January 12, 2021, Sarah Webb and Joyce Campbell-Counts met with Peter Renzelman (forester), Misha Golfman (executive director and educator) and Jo Moore (semester faculty) from Kroka Expeditions (kroka.org) in Marlow, NH, to review what trees need to be cut and to go over timing and logistics.

Proof of liability for Kroka members was requested by the Town and received from Kroka.

Sarah attended the Selectboard's meeting on Monday, January 25, to give a report on the ACC's intentions and the process to clear a view in front of Pratt Rock. The Selectboard ok'd the project.

The first cut was made January 30. Peter Renzelman is doing the cutting, and the Kroka crew is trimming, clearing, and making brush piles.

Peter's work will take about 2 hours per day. He estimates about four days of work. His invoice estimate is not available at the time of this ACC report. Commissioners have agreed by phone conversations to pay Peter up to \$400.00.
