

**Alstead Conservation Committee
Meeting Minutes December 7, 2016**

Present: Sarah Webb, Nan Montgomery, Donna Sabin, David Moody, & Joyce Campbell-Counts
Guests: Juliana Stevens

I, Minutes from November - Accepted as corrected.

II, Easement Monitoring - Sarah and Joyce CC walked both properties, Fox and Burroughs (2), in mid-November. They walked the full periphery of ~84 acres with Wyman Fox; he described fully what his approach and plans are. Data was entered on the Forest Society's online easement monitoring website.

III, Lake Warren Association - two issues:

- 1, Funding of Pine Cliff Road project - The LWA needs to re-apply for funding for this repair. Calcium chloride is an option for dust control on the road. They will discuss with David Crosby the substance used to treat the road. The budget for this year and next year includes this.
- 2, The Watershed Management Plan is in final stages of editing and review. The LWS will send this to Southwest Regional Planning.

IV, Status for Petition for Warrant Article for Forest Management Fund - Selectboard's response:

Petitions for warrant articles are due by Tuesday, January 10th, 2017. Thirty (30) signatures of the petition are needed. Nan and Sarah will draw up the petition and make copies for members to use; one can be placed at the Alstead Shedd-Porter Library.

V, Lon Livengood's culvert work on Rogers Road - Sarah and Joyce CC met with Ron at the site in mid-November. His work will allow contractor's heavy equipment to pass over lowland on the way to the land owner's construction site.

Meeting adjourned at 7:00 pm.
