

Emergency Management Study Group

Minutes for the November 19, 2015 meeting

Members in attendance:

Bonnie Chase
Anne Cartwright
Carol Reller
Priscilla Sawa

Also present:

Kim Kerceвич
George Moore
Matt Goodell

Topics discussed:

- The candidate for Police Chief is not certified in NH and not eligible for the required training until August, 2016. The Selectmen have re-opened the search. They have also signed a 60-day, 15-hours-per-week contract with the State Police to cover the town while Roger Landry recovers from back surgery.
- We have received letters of intent to bid from four vendors: Yateman, Dingee, Seth Knight, and Valley Fire.
- We are still waiting for a quote for the Village Station door.
- We've already visited Valley Fire and might meet with other bidders in January, after the bids have come in.
- There is a draft of the warrant article regarding the engine. It does not specify that the engine must be new.

Motions:

- The meeting minutes of November 12 were approved.

Action items:

- Carol will contact the contractor about his bid for the Village Station door.
- Carol will request that the Selectmen add the phrase "as specified in the RFP created by the EMSG" to the warrant article.

Next meeting:

December 3 at 7:00 pm.

Agenda items for next meeting:

- Review and refine our notes for the presentation to the town.
