Carol Reller, member of the AABC asked if the Selectmen had looked at her outline to study the EMS personnel needed in the Town of Alstead. Matt said that he had not seen it and asked her to email it to him again. The Secretary also asked to have it emailed to her.

The Budget Committee also asked if raises were in David Crosby's DPW budget. Matt stated that he did not know for sure. The Secretary will ask David tomorrow and get the information to the Budget Committee before their meeting on Wednesday night the 4<sup>th</sup> of February.

Carol Reller also asked if Anton had stated how many calls the ambulance had answered last year. The Secretary stated that she would email Anton tomorrow and see if he knew yet. She needed to get in touch with him about his report for the Town Report.

John Mann was in attendance to see if he could get a go ahead on the Duct work at the Shedd Porter Library which will cost around \$1,300. He has found someone to do the work. Matt stated that it would have to wait until next Tuesday when there was more than one Selectman in attendance.

Chris Rietmann told the Secretary that he would be in touch after the AABC meeting on Wednesday on whether or not the AABC supported the articles. The Secretary is going to email information for him to post on the Town Website about the Deliberative Session on Saturday at Vilas Gym at 10:00 AM.

There being no more discussion the meeting adjourned at 8:00 PM. The Board will reconvene on Saturday, at 10:00 AM at Vilas Gym for the Deliberative Session of Town Meeting.
