Resolution of the Alstead Selectboard members, relative to the indemnification of the Town elected officers, appointed officials, board members and employees, from personal financial loss pursuant to RSA 31-105 and 31-106.

Be it resolved:

The Selectboard of Alstead, New Hampshire, hereby adopt the provisions of RSA 31:105 whereby the Town of Alstead, shall indemnify and save harmless for loss or damages occurring after June 30, 1998, any person employed by it and any member or official of its governing board, administrative staff or agencies including but not limited to the Selectboard and all other officers, officials, and members of all other boards, commissions and advisory bodies created or existing pursuant to statute, charter or general law authority, from personal financial loss or expense, including all reasonable legal fees and costs, arising out of any claim, demand, suit or judgement, by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his/her employment or office.

RSA 31:105 allows the Selectboard members of a Town to pass a resolution to indemnify its officers, employees and committee members from personal loss as a result of their acts in the course of their Town activities/duties.

The Town has insurance coverage for employee activities, but this resolution protects the individual in case insurance, for some reason, is determine not to apply, or the damages should exceed the limit of insurance coverage. Some policies exclude financial loss of suits that are personally against the employee, while he/she is performing his/her duties.
