

Ways YOU can SAVE MONEY

Cutting up a mattress with an X-acto knife (takes 5 minutes) and putting it in the compactor is free. If the mattress is put in the C&D bin, there is a fee.

Residents can take Hazardous Waste to the Keene Recycling and Transfer Center.

Transfer Stickers are required

Stickers are free of charge and available from attendants. Per the Alstead Select Board, residents must present proof of residence (such as a current driver's license or utility bill) to obtain a sticker.
