The Alstead Board of Selectmen met in open session on Tuesday, June 9<sup>th</sup>, 2015 at 6:00 PM at the Municipal Offices. Members present were Joel C. McCarty, Chris Rietman, and Rock Wilson. Several residents as well as David Crosby, DPW Supervisor and Police Chief Marcello D'Alessandro were also in attendance.

Minutes of the Meeting of June 2<sup>nd</sup>, 2015 were read and accepted as read.

A discussion about getting the information to the AABC in excel format from the two Municipal programs were discussed. It was decided that it would be possible.

Bob Quaglin was asked about the first Wage and Benefit Committee. He reported that it hadn't gone well as there were meetings in each of the Conference Rooms and only a couple of people showed up. They have decided to have their meetings at the Town Hall for now on Thursday at 6:00 PM. They met another member outside and talked for a while, but didn't really do anything. Bob has found an Employee Handbook that he likes and thinks they might adapt it to Alstead.

The Police Chief search was discussed. The Secretary stated that so far we had received two applications. Police Chief Marcello D'Alessandro was in attendance. He stated that he thought it should be advertised locally. The Secretary will get a price tomorrow for the Sentinel and the Union Leader and via email the Selectmen will decide when and how it should be advertised. Bob Quaglin stated that the company that he had worked for found that advertising the weekend and then on Tuesday got the best results. Also they decided to put it on some of the few a places on the internet.

As for the Friendly Meals and the Fall Mountain Food Shelf, there is a letter ready to go out to all the Selectmen in the surrounding towns to see if they are willing to help.

David Crosby, Supervisor of DPW, was in attendance. When asked what projects were going on, he stated that the parking lot at the East Station was being prepared so that it would be ready for paving when the paving project came. Then in July he hoped the sand and gravel would be done as he needs gravel to put in culverts later in the summer.

The Trustees of the Library had informed the Selectmen that the Library needs smoke detectors installed. It was agreed that it was up to the town to pay for having them installed. Selectman Joel McCarty will get back in touch and see whether or not the detectors need to be wired in.

Bobbie Wilson gave an Vilas Pool update. They are going to order tie-dyed t-shirts to sell. Also they are going to have a Father's Day program on the weekend of June 20th and 21st. This weekend the girls scouts will be camping out at the pool. The Selectmen voted unanimously to allow volunteers to work at Vilas Pool as long as they were supervised by the Vilas Pool Committee.

Selectman Rock Wilson brought up that people at Newell Pond wondered if something could be done on the Newell Pond Road as it was terrible. Supervisor of DPW David Crosby stated that he would try to do something, but really needed the crushed gravel to do the job that he wanted to.

Vouchers for bills totaling \$55,045.57 were submitted for payment. The Selectmen signed the manifest and read their mail. There being no further business before the Board the meeting adjourned at 7:35 PM. The Board will reconvene in open session on Tuesday, June 16th, 2015 at 6:00 PM at the Municipal Offices.
