

**MEETING MINUTES
BOARD OF SELECTMEN**

JULY 14, 2015

TOWN OF ALSTEAD

The Alstead Board of Selectmen met in open session on Tuesday, July 14th, 2015 at 6:00 PM at the Municipal Offices. Members present were Chris Rietmann and Rock Wilson. Several town residents were also in attendance as well as Police Officer Roger Landry.

On Saturday July 11th during Vilas Pool Day two people had attended with revolvers on their person, one was concealed and one was in plain sight. Vilas Pool rules state that no firearms are allowed in Vilas Pool so Bobbie Wilson asked the two people to please lock their revolvers in their cars. One did, but one didn't so Bobbie called Officer Landry. Officer Landry was able to have that person store his gun in the cruiser. The way RSA 159:26 reads anyone has the right to have revolvers and ammunition on town property so the Vilas Pool Committee will take it out of their rules. Selectman Chris Rietmann moved that the Board of Selectmen as stated in NH RSA 159:26 hereby declare any ordinance, policy or any other act passed by any previous Board of Selectmen that restricts in any way firearms or ammunition on the property of or within the Town of Alstead to be null and void. Rock Wilson seconded the motion and it passed unanimously.

The Minutes of the Meeting of July 7th, 2015 were read and accepted as read.

Bobbie Wilson, Chair of the Vilas Pool Committee, gave an update on Vilas Pool. Vilas Pool Day was a great success. Everyone seemed to have a great time and the Fire Department spraying water over the Pool was a hit with the kids. Bobbie is not going to announce what the new emblem for the ambulance is at this time. Jessie Moore will have to do it. Now the Vilas Pool Committee is working toward the Music Festival. Cribbage at noon is starting on Wednesday.

Robert Molesky came in to ask if he could do some improvements to Baine Road which is a Class VI Road. He had been told by David Crosby, that he needed to get permission from the Selectmen. The Selectmen have no problem with it and will write a letter and sign it giving him permission. At the same time the Secretary will write a letter giving Rock permission to upgrade the Class VI Road to Caldwell Pond.

The budget was discussed. The Selectmen had talked to David Crosby, DPW Supervisor, on Monday about his budget and David felt that he was on track. The AABC will start reviewing the budget in August.

Resident Ira Day brought up that Gilsum was paying \$20,000 to a company and getting their transfer station totaling taken care of. The Secretary will call Gilsum in the morning to see what the story is.

Selectman Chris Rietmann stated that he promised he would get the Chief Search Committee underway by tomorrow afternoon.

The Selectmen read their mail and signed some papers. At 7:45 PM the Selectmen Rock/Chris voted unanimously to go into Executive Session citing RSA 91-A:3 (a) (c) with Officer Roger Landry and Bobbie Wilson. The Selectmen Chris/Rock voted unanimously to come out of Executive Session at 7:53PM. There being no further business before the Board, the Meeting adjourned at 7:55 PM. There will be no meeting next Tuesday, July 21st, 2015 as there is only one Selectman in Town. The Board will reconvene in open session on Tuesday, July 28th, 2015 at 6:00 PM at the Municipal Offices.
