**Alstead Conservation Committee
Meeting Minutes September 6, 2017**

Present: Sarah Webb, Nan Montgomery, Donna Sabin, David Moody, Joyce Curll,
and Joyce Campbell-Counts

I, Minutes from August: Read and accepted as written.

II, Wellman Pond ATV Activity – This Town property is near Blaine Road. And Marlow; it is for use by the public. ATV activity was reported throughout the property, and a complaint was relayed by NH Fish & Game to Steve Walker. Regarding a Town response, the ACC decided to post signs to the effect of “Conservation Land: No ATVs” to deter further activity.

III, Town Master Plan Hearing – As ACC Chair, Sarah attended the hearing. She signed the letter and made comment in support of including the Lake Warren Watershed Management Plan. A continuation of the hearing occurs on Monday, September 11, 2017 at 7:15 pm.

IV, Town business

A, In preparation for the Town Budget, we will get a timeline from the Town Office and set assignments at the ACC October meeting.

B. Commissioners’ terms of service – Members reviewed their terms of service to the Town. When needed, each member will go to the Town Office to renew their service date.

V, Krishna Flanders’ wetlands permit application – Krishna finished her application and submitted it, along with 28 photographs for the culverts and wetlands, to the ACC for approval. All members agreed.

Another aspect of Krishna’s effort is that, on the site inspection, Sarah Webb saw, for the first time, a green woodland orchid that Krishna had identified and protected.

Meeting adjourned at 7:00 pm
