

Alstead Conservation Commission Agenda
Meeting Minutes for Wednesday, May 2, 2018

Present: Sarah Webb, Donna Sabin, David Moody, Joyce Curll, Joyce Campbell-Counts

I, Minutes for April 2018 - minutes were approved as read.

II, Shadowlands revisited

- New players – This development area had problems in 2005. Current owner is William Barker.
- Ross Milton reported wetlands violations on his property in his evidence-based correspondence and by phone with Sarah Webb.
- Sarah said DES will be visiting the property to determine what needs to be amended, or fine to owner.

III, Wetlands Inventory – we received letters of permission for 33 of 53 properties. The majority gave their permissions for Jeff Littleton to visit.

IV, Arbor Day/Earth Day Cleanup report

- Arbor Day was an indoor affair due to spring rains. Sarah and David made presentations; only one child read a poem. The field trip with Michael Nerrie was rained out, as well. Since the affair seemed rushed, ACC members will brainstorm on what to do different next year.
- For Road Clean-up, available supply of blue bags was depleted at the Transfer Station. About 4 miles were mark on the Alstead map for clean-up.

V, Distant Hill Gardens - field trip

- On Wednesday, April 15, at 12:45, the 5th grade field trip to Michael Nerrie's Distant Hill Gardens will occur.
- Sarah will get a check for \$150 drawn from the ACC operating budget to make a donation to Michael Nerrie.

Meeting adjourned at 6:40 pm.
