

TOWN OF ALSTEAD, NEW HAMPSHIRE
Board of Selectmen
Minutes for Meeting of January 3, 2019 9:00 a.m.
Municipal Building, 15 Mechanic Street, Alstead, NH 03602

SELECTMEN PRESENT: Timothy Noonan, Chairman; Alan Dustin

STAFF PRESENT: Charlotte Comeau, Office Administrator

COMMUNITY MEMBERS PRESENT: None

CALL TO ORDER: Chairman Tim Noonan called the meeting to order at 9:00 a.m.

ACTION ITEMS: The following was reviewed and signed; payroll manifest, bill manifest; intent to cuts: Porter, Burroughs and Dennett and bills for report of cuts: Danahy and Hendrick

OPEN FORUM: Discussion took place on procedures for approval and signing intent to cuts.

Tim brought up the roof on the town offices that he believes the metal roof is too costly and would be a problem with snow falling off the back into the parking lot. He feels re-shingle would be better and less costly. Alan did not agree. Tim said he has heard many community members that do not want a metal roof. Tim mentioned that Long Roofing indicated they would like to bid on this but Alan asked why they didn't bid on it several months ago? It was suggested that Tim approach Long Roofing and see if he wants to give us a quote. Alan had mentioned that Chris Hansen referred Bud Plumber to give a quote and had looked at it last week. He said he was told that instead of a rubber roof on the front they could do rafters to put an angel and steel roof on it. More on this will be discussed at the next meeting when Rock is present.

Charlotte asked the selectmen if she should ask Friendly Meals to have the town hall available for the Public Hearing all day since it is unknown when the highway department will be available to set up. On a motion by Tim Noonan, seconded by Alan Dustin ***the Board voted to have the hall available all day.***
