Alstead Conservation Committee
Meeting Minutes for November 6, 2024

Present: Sarah Webb, David Moody, and Joyce Campbell-Counts
Guest: Andi Johnson

I, Minutes for October 2, 2024 accepted as read.

II, Easement Monitoring – Sarah Webb completed the visits to the three properties the ACC monitors. Joyce CC will enter the data online with the NHSPF.

III, Lake Warren, nutrient pollution – The lake waters are only tested in certain spots. More sites are needed. Volunteers do the gathering of samples. A warrant article could propose getting funding to do more sites to cover the costs of lab testing.

IV, Wellman Pond/Baine Road, issue with boat removal – Neighbors with a shared boundary are having disagreement with this. (It is an old dispute.) The boat is on town property but access to it is an issue. We suggest the owners call Prescott Trafton, Alstead's Road Agent, to assist. Sarah suggested a site walk, as well.

V, ACC Budget 2025 – For the November 13 budget hearing, Sarah will present an operating budget similar to last year, 2024.

VI, Our guest is Andi Johnson. She is interested in what the ACC does and offered knowledge and information in conversations at this meeting. She plans to sign up for a commission membership at the Town Office.
