Guests: Steven Lamonde

I, Minutes from October 5, 2022: Accepted as read.

II, Final Selections for Prime Wetlands - text

- a, Selections - Using Jeff's final report for numbered wetlands, we selected 7: 7, 43, 44, 84 (4 properties owned by TONE), and 78, 89, and 96
- b, Logistics/hearing - Thursday, November 17, pick up Town Hall key from Mary Schoppmeyer at Town Office; screen from Alstead library; open Hall at 6 pm for Jeff Littleton & Steven Lamonde, set up chairs: hearing starts at 6:30.  
Note: Zoom link for those not attending in person is available on the Town website home page and in the calendar.
- c, Hearing agenda - Sarah will welcome people, describe the purpose, and introduce speakers. Jeff will give a background on wetlands and the Prime decision-making process. Steven will present the 7 selected wetlands. Time for questions will conclude the hearing.
- d, DES - Marianne Tilton will attend by zoom to comment and answer questions.
- e, Public notices - at the Shedd-Porter Library, in Keene Sentinel, at Town Office, at Alstead's Post Office
- f, Warrant article - will be covered at December's meeting

III, Budget for 2023 - currently \$1,000. We propose requesting approximately \$1,600 to include additional operating fund monies for NH ACC workshops and NRI. Moosewood Ecological is paid from the Conservation fund.

IV, Easements - Monitoring was completed by Sarah and Joyce meeting with Wyatt Fox and his son Jacob who will assume managing the property. Jacob and Wyatt are developing their own forest management plan.  
Joyce submitted the data online at SPNHF for both easements

V, NHACC annual conference Saturday November, 2022 - Joyce will attend three workshops.

Meeting adjourned at 5 pm.
